Sean

Marc

We (some kids) celebrated our 15th Wedding Anniversary with a trip to Rootan, Belize and The Yucatan. Complete with ziplining, snorkeling and cave tubing.

Marc discovers Harry Potter. Can't put it down. Eventually becomes Marc Potter. He's also a card carrying geek with membership in the Math & Reading Clubs, but he still plays soccer.

Sean's first Day of Kindergarten (What's First Day of 4th.). Sean is a good little geekling. He's reading, in The Science Wizards Club and scoring tons of goals (for Coach Dad) in soccer!
They grow up too fast!

Years and years of hard work finally pay off with a well-deserved plaque, adoration from her co-workers ;) and a MacBook Air.

Warmest wishes for a Merry
Christmas and a Happy,
Healthy New Year!

Love from our family to yours,

Dave, Catherine, Marc & Sean

Don't forget us! Love and Kitty Bites,
Calli, Lego and Odin
